

MARRIAGE WEEK

PROCLAMATION

*W*hereas, strong marriages are a major key to strong families; and

Whereas, strong families are needed for a strong community; and

Whereas, National Marriage Week has been celebrated in the United Kingdom since 1998; and

Whereas, The Governor's Commission on Marriage has been promoting the celebrating of Marriage Week USA in the United States since 2002;

Now, Therefore, I, Howard H. Johnson, Mayor of Lehi City together with the Municipal Council of Lehi, do hereby proclaim and support February 7-14, 2008 as "Lehi Marriage Week."

And urge each husband and wife in Lehi City to reflect upon their marriage and to commit to building and maintaining a healthy, loving marriage and family; and

Encourage community leaders to promote appropriate programs and activities that will strengthen marriages and families.

Mayor, Howard H. Johnson
